

Remarks/Arguments

This application is a national stage filing of PCT application PCT/GB03/00947 filed on March 6, 2003.

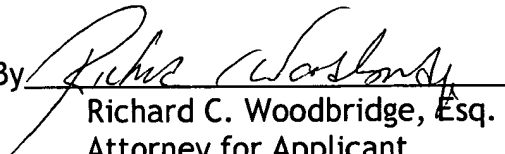

The amendment to the specification was made to include the priority information and to further clarify the invention. No new matter has been added by making these amendments.

The U.S. Patent Office is hereby requested to examine the application based upon the application as amended.

If the patent examiner has any questions or comments, he/she is respectfully requested to contact applicant's attorney at the telephone number indicated below so that additional amendments may be added as required.

Respectfully submitted,

John Matthew Forsyth
